TinyURL™ Hoplinks Creator For Clickbank Affiliates

Fast, easy, secure, free way to create and cloak your Clickbank hoplinks. Just enter your Clickbank affiliate ID and a product vendor ID and it instantly gives you a short and secure, easy to remember link via TinyURL. Nobody will know that your Clickbank Hoplinks are actually affiliate links. Best of all, it does this using the reliable and trusted service of tinyurl.com. Prevent Commission theft, enjoy better Clickbank conversions, and make lots more money with this smart, completely free service. Did I mention that it's free?
