## Free MySQL Databases

We are providing absolutely free MySQL databases to users. We are at your service to keep your databases online, up and running. That's a guarantee! As we all know there are thousands of free and paid hosting providers out on the web, but when it comes to MySQL databases, you either can't have one or your stuck with only a few. Well those days are over; with FreeMySQL.net you are given 3 databases, after you activate your account. You have 3 options to administer your databases: FlashMyAdmin, FreeMySQL.net Admin and PHPMyAdmin with each using web interface provided for ease of use.
